## **The China Community Food Pantry**

The weather is getting warmer and schools are done for the year. It is easy to forget that even in summer there are many people who suffer from food insecurity. In order to show the Christian love that we share at China Baptist Church, let's continue to bring in items for the China Community Food Pantry. Coffee, tea, and toilet paper are needed all year long and may really lift the spirits of the person who receives them. Pasta, peanut butter, jelly, soup, and other canned goods are also appreciated. Any unperishable items can be placed in the white box at the back of the sanctuary and will help us share God's love in our community.

**"The Crew" will be repositing and setting up the food booth for the Summer events after the service today. Crew leader Dwayne Bickford.**
