Plants with Purpose

Would you like to help Michigan's native bees, butterflies and honey bees thrive, but don't know how? Plant with purpose - plant them food!

We offer a wide variety of Michigan native (and other) flowering trees, shrubs and perennial wildflowers, chosen for their nectar or pollen value to pollinators as well as their natural beauty.

We can help you select plants best suited to your specific growing conditions to provide quality pollinator forage throughout the growing season.

Plants are available for purchase/pick up at:

Windy Rock Farm
6750 Sharon Hollow Road
Manchester, MI 48158

- and at select events across Michigan -
