

Athletic Director Welcome

Cedarburg High School co-curricular activities are an important component of Cedarburg's curriculum. While, first and foremost, our mission is to provide a sound academic experience for our students, athletics is an important extension of the classroom and is designed to further the educational development of young men and women.

We at Cedarburg High School believe that the commitment, dedication and respect that athletic participation fosters will serve as a foundation for student growth and life-long learning. A major focus of our athletics program is to assist our student athletes, developing life skills to help them become productive members of society.

We at Cedarburg High School, feel these contributions to the overall development of our young men and women is vital, and we are very fortunate to have dedicated and decorated coaches leading our student-athletes as well as a strong network of support from our community, staff, alumni, and parents. The cooperative spirit makes the Bulldog experience second to none.

Cedarburg High School strives to be a premier athletics program in Wisconsin. Coaches know their players as individuals and support them and mentor them, matching the exceptional experience in CHS classrooms. We offer high-caliber educational opportunities at practices and sporting events to match what is accomplished in the classroom. We pride ourselves for having scholar-athletes, and we are honored by their achievements after high school.

Student-athletes, coaches and parents are all expected to demonstrate good sportsmanship, community involvement and excellent conduct. As the public holds student athletes to a higher standard of our stakeholders, we must model good judgment and maintain a positive perspective. Success and pride will come from competing the right way. Though athletic success is often measured by wins and losses, Cedarburg High School takes the most pride in the valuable life lessons that student athletes learn. I am humbled by the opportunity to serve you and hope that your experience is successful and enjoyable.

Go Bulldogs!

CHS School Song

When our colors fly from our banners high,
We'll be there to guide the way.
When the Bulldogs fight with their main and might,
We will follow them day by day.
With a thousand voices, we chant our praises
As true defenders of the orange and black.
For the sun can't set on our greatness yet.
That's the boast of C.H.S.

You rah, rah, rah
Yea, Bulldogs.
You rah, rah, rah,

Thank you!

The Cedarburg Athletic Booster Club (CABC) is proud to present this Winter edition of the 2017/18 Cedarburg High School Sports Playbook. The businesses and organizations found throughout these pages have provided generous support for CHS athletics this year. A special thanks goes to Digital Edge Copy & Print Center for their hard work and dedication to creating, designing and printing this playbook while providing significant cost savings to the CABC.

The CABC is a parent-run, all-volunteer 501(c)(3) non-profit organization committed to supporting all athletic programs offered at Cedarburg High School. Our aim is to support initiatives and programs that improve the athletic experience of every student athlete. All funds we raise go directly to CHS athletic programs.

Ours is one of the strongest and most active booster clubs in the state, thanks to the involvement of our members. The support from parents, teachers, staff, administration, alumni, local businesses and the greater Cedarburg community is truly outstanding—a real affirmation of why CHS is consistently ranked among the best schools in the nation. It is with much gratitude and appreciation that we express a heart-felt "Thank You" to our Cedarburg community.
