BAYCREST AT PELICAN LANDING HOMEOWNERS ASSOCIATION, INC. BOARD MEETING MINUTES HELD ON OCTOBER 19, 2016 AT THE PELICAN LANDING COMMUNITY ASSOCIATION

Directors Present: Rick Nye, Swann Fredrickson, John Knoche, Rick Nye, Toni Paolello, and by phone Ralph Scearce and Paul Dickensheets

Directors Absent: Creighton Phillips

ACSMC Committee: by phone Peaches Scearce

Representing Gulf Breeze Management Services Inc.: Aharon Weidner

Ralph Scearce called the meeting to order at 5:02P.M. and quorum was established.

RECORDING OF MEETINGS

Ralph Scearce noted that anyone recording the meeting should announce themselves. John Knoche reported that was recording the meeting.

APPROVAL OF MINUTES

On a motion by John Knoche, seconded by Rick Nye, and carried unanimously the Board approved the September 21, 2016 board of directors meeting minutes.

PROPERTY MANAGER REPORT

Aharon Weidner reported that during the last Greenscapes walk through there were no major deficiencies. There were a few problem areas identified however but they were limited in scale and scope. The irrigation filter has improved the functionality of the system by allowing an additional zone to be run at any given time and lessening the amount of time spent cleaning the filter. A new ORP system for the spa was obtained for \$1600. A new exercise room door has been ordered and should be installed within the next week. The exercise room carpet should be cleaned within the next couple of weeks.

A resident reported that the backwash from the new irrigation filter appeared to be draining onto a resident property en route to the curb and might be undermining some of the soil under the new concrete platform. Aharon Weidner will look into the problem and contact Hoover Pumping Systems.

John Knoche asked what happened to the old filter because, in his opinion, it might have value. The concensus was that no one suggested looking into this before the filter was replaced.

Finance Committee

Rick Nye reported on the September financials. There were no accounts receivable. The capital improvements account has \$1,727 balance after paying for the filter system. Major expense categories have been running under budget with the exception of Insurance and pest

control. Landscaping is slightly under budget excluding mulch. Total expenses are \$164,000 versus \$174,000 budgeted with three months to go.

Social Committee

Miki Knoche reported that the committee will be sending out the flyer invitation for the next social event in the next few days. It is the fall welcome back party – "The Wurst Party Ever" scheduled for November 10th. The new table for the pool lanai has been order and should be delivered within a few weeks.

Pool Committee

John Oblak reported that the spa is closed because the new ORP system is not functioning properly and there is a build-up of chlorine on the equipment.

The pool temperature and related costs were discussed because someone other than John Oblak had changed it. John Oblak recommends 83 degrees however it is currently set at 86.

On a motion by Rick Nye, seconded by Toni Paolello, and carried unanimously the Board approved raising the pool temperature from 83 degrees to 86 degrees for December, January, and February keeping the pool at 83 degrees for all other months and setting the hot-tub temperature to 100 degrees for the entire year.

Lease and Sales Review Board

John Oblak reported that 25250 is pending sale and expected to close October 27, 2016.

ACMSC

Ralph Scearce reported on recent discussion with Greenscapes regarding mulch. He noted that earlier in 2016 the Board approved the redistribution and/or removal of excessive mulch from the community for a cost of \$9,600. After re-evaluating the conditions in September it was determined that the buildup of mulch was no longer a major problem throughout the entire community although there are still scattered problem areas.

Ralph Scearce moved to rescind the Board's prior approval of the \$9,600 mulch removal and redistribution proposal. Swann Fredrickson seconded the motion and it was carried unanimously.

Mr. Scearce reported that Justin Lucas from Greenscapes prepared a new proposal to redistribute mulch where needed and to add a light top dressing of new mulch throughout the community for an estimated cost of \$15,677.80. He noted that the cost was less than the budgeted amount of \$17,000 and less than the cost of mulch last year. If the project takes less labor and/or less mulch than the estimate, Greenscapes will adjust the cost accordingly.

Swann Fredrickson moved to approve the estimate from Greenscapes for \$15,677.80 as a not to exceed price to redistribute existing mulch as needed and to install additional mulch. Rick

Nye seconded the motion. The motion was approved by a vote of five to one with Toni Paolello opposed and all other Board members present in favor.

UOC

Karlene Dziesupek reported that the UOC has been disbanded pursuant to the Pelican Landing turnover process. There is a provision for voting representatives to form a new organization. The PLCA approved forming the new organization subject to them preparing a new charter.

OLD BUSINESS

Memorial Gifts

There was discussion about the best way to revise the Association's policy in respect to both memorial gifts for deceased residents and flowers for ill residents noting that there were problems associated with sending flowers and/or fruit or food baskets. An alternative would be to send personalized cards.

On a motion by Swann Fredrickson, seconded by Toni Paolello, and carried unanimously the Board approved revising the current policy and authorizing a \$50 gift to a charity in memory of a deceased resident owner or child of such owner and sending a personalized card to a resident who is ill or having surgery.

NEW BUSINESS

2017 Budget

Rick Nye presented a draft 2017 budget. He noted that the finance committee met on October 7, 2016, and there were three outstanding issues identified for follow up after the meeting. One was the mulch issue which has been resolved earlier in the meeting. There was a question about replacing 44 older irrigation timer boxes. It was determined that the timers would be replaced as they went bad as those timers had a default setting and would continue to provide water. A third issue from the meeting was a recommendation to increase the capital contribution from one quarterly assessment to two quarterly assessments. He noted that this change would require some legal work.

Mr. Nye passed out a spreadsheet illustrating several alternative combinations of owner fees and funds from the prior year surplus equity account which could be used to fund the 2017 budget. The spreadsheet is attached to these minutes.

Following a discussion of these alternatives, Rick Nye recommended that owner maintenance fees be set at \$645 per quarter for 2017, an increase of \$5 per month.

Swann Fredrickson noted that in 2016, about 7% of budgeted income, or about \$18,000, came from the prior year surplus equity account #5510 instead of from owner fees. The 2016 projected surplus of about \$8,700 will result in a net decrease in that

Baycrest Board Meeting Minutes October 19, 2016 Page 4

account. She said that the proposed \$645 quarterly fee would support about 97% of the proposed 2017 budget and would maintain the desired balance of about \$30,000 in the equity account which is used for working capital and emergency needs.

The concensus was to present the proposed budget for approval at the November meeting.

OPEN DISCUSSION

Joe Hammerman reported that the PLCA and the CDD have been working on an agreement as to how they can work together on landscaping. An agreement has finally been reached and each entity has agreed to its respective responsibilities. Michael Spencer has been hired as the landscape architect for PLCA.

Joe Hammerman noted that the mailboxes have started to deteriorate and that he believed that the Board should look into either painting or replacing them.

Swann Fredrickson noted that the Privacy Patrol came through the community recently and told residents working in their yards or garages to close their garage doors unless they were entering or exiting. She spoke to the head of Privacy and he said that practice is to allow garage doors to be open when owners are visibly working in or around their garages or yards. The doors should be closed at all other times.

Next Meeting

The next meeting will be November 16, 2016.

With no further business, and on a motion by John Knoche, seconded by Toni Paolello, and carried unanimously the meeting was adjourned at 6:18P.M.

FINANCE CHARGE COMPUTATION FOR PERSONAL LINE OF CREDIT

The Finance Charge that accrues in any monthly billing period is determined on each day in the monthly billing cycle by multiplying the Daily Periodic Rate by the outstanding principal balance (after subtracting payments and adding advances posted that day) then we add the results of these calculations for the number of days in the billing cycle.
