KIWANIS MEETING OF June 3rd, 2019

Anne VanEss chaired the meeting today with a good turnout of 16 people including 12 members: Anne, Ann, Ben, Dave, Emmet, Bob R, Bob F, Maria, Bill, Dal, Pat and Doug---plus prospective new members Cheri and Marypat---plus our student scholarship winner and her mother.

Ben gave the prayer with an appropriate inclusion of the Jacques family.

We had a nice lunch of chicken breasts with barbeque sauce, potato wedges, tossed salad and chocolate birthday cake. My effort (crusade?) is to have each dish of food on the buffet table have two tongs or serving spoons to facilitate the lines moving more easily along both sides of the table. It seems to be a tough sell to the B & T serving staff---I'll keep trying.

We sang Happy Birthday to two members with June birthdays: Nico Jacques and Kristin Kreuser (teacher and Key Club advisor at Preble High School). Neither one was at the meeting today.

For our vocal endeavor Ann chose “Oh Susanna,” a minstrel written by Stephen Foster and published in 1848. A familiar song to most of us and we sang it well!

Dal told us an entertaining story about bears that he and Lorna encountered at their cottage. The bears got into Dal's bird feeder on two successive days despite Dal's attempt to keep them away. Score: Bears 2, Dal 0.

Happy dollars from Dal, for the great Brewer season (prior to the awful losses to Miami this week)---Maria, for her daughter's graduation from Ashwaubenon High School---Doug, for the scholarship we gave today to Carli---Bob Rowan, for a wedding he attended in Chicago---and Marypat for good news about her son's health.

Our program was the introduction by Bob Rowan of Carli Kollross, one of the high school student winners of a \$1,500 scholarship from our club. Carli is a senior at Luxemburg-Casco High School. Bob read excerpts from her impressive scholarship application. Carli is certainly a qualified and deserving recipient of a scholarship from our Kiwanis Club. Bob mentioned that the scholarship committee consisting of himself, Emmet, Doug and Rick had reviewed more than 40 applications before selecting the five winners. The scholarship winners are usually invited to an awards banquet, but this year they will come to a Monday noon club meeting to be introduced. An interesting sidelight to today's scholarship winner is that Carli's mother and Anne VanEss were high school classmates.

And, a special note of thanks to Anne VanEss for providing technical support for this newsletter----i.e. giving me names of new members and details that I missed during the meeting.
