

Glenelg High School PTSA

Working Together as a Community to Achieve Excellence in All We Do

Dear Valued Community Member:

The Glenelg High School PTSA will be sponsoring its 14th Annual After Prom Party on April 6th, 2019. The after prom party is a chemical free, fully supervised and fun environment that allows our teens to let their hair down, socialize, and have fun without the influences of drugs, alcohol or other risky behaviors. Our goal is to keep our students safe. As members of our community, we know you understand the importance of offering safe and fun alternatives to our teens on prom night.

As you can imagine, an event of this magnitude – feeding & entertaining ~400 students for 3+ hours - is very costly. That's where you can help support our efforts. We are asking local businesses to sponsor our Bingo Fundraiser to be held Friday, January 25th. There are two ways in which you can help: You can either sponsor a bag with a cash/check donation and we will purchase products or you can donate products or services for inclusion in a bag. Either way, you will be reaching potential customers while at the same time making a difference in your community.

To recognize your generosity, your place of business will be acknowledged in the program at the event and on our PTSA website. Also, each bag will be labeled with your business information as well as announced at the start of the bingo game.

To make a donation, please fill out the form below and return it, along with your donation, to the school. If you would like us to pick up your donation from your place of business, please contact us so that we may arrange a time that is convenient for you.

We appreciate your support in helping us make this a night to remember, and mostly importantly, a safe one.

Thank you in advance for your support.
