

Event: Inland Northwest Musicians Dinner Auction

WE ARE FAMILY!

20 YEARS OF MOVING MUSIC

Date: April 28, 2019

To Whom It May Concern:

Inland Northwest Musicians is a regional symphony & chorale organization consisting of three performing ensembles presenting concerts in the rural towns and cities throughout nine counties in Northeast Oregon and Southeast Washington. We are volunteer players and singers who regularly travel weekly up to 100 or more miles to rehearse and perform our concerts. We are currently in our **20th** season.

All of our concerts are presented free to the public with donations accepted. We are otherwise funded through business and individual sponsorships, grants, and donations from sustaining memberships. We are a non-profit organization under the terms of Chapter 501(c)(3) of the IRS code, EIN 93-1275407.

This is a request for consideration of a donation of an item or items for our dinner auction fundraiser. **Thank you for your consideration of this request.**

Sincerely,
