

Hi! My name is Jessica and I am so pleased to be part of the team at MacFadyen Preschool Academy! I studied Early Childhood Education at Mohawk College, graduating in 2017. I have experience with children as a volunteer camp counselor and am excited to combine this experience with what I studied and for the opportunity to put this knowledge into practice here.

In my free time, I enjoy spending time with my niece and nephew, going to movies, and reading.

I look forward to getting to know everyone!
