Parkside Bible Church

January 2020

January Meeting

The Super Seniors welcome Ria Nieboer for the January 29th gathering. Join us for ABC with Ria - **Adore, Breathe, and Connect**. Come and worship the Lord Jesus Christ with Ria through His Words, sharing, and simple and easy embodied breathing and movements. Expect to feel deeply, be touched and awakened by the presence of the Lord, and be challenged to grow in an authentic relationship with the Lord Jesus Christ, self, and others.

Ria is passionate in providing integrated (spiritual, emotional, cognitive, relational, somatic) care to people who have experienced complex/compound trauma and suicidality. She specializes in counseling and supporting community leaders and ministers such as teachers, pastors, missionaries, school administrators, doctors, business executives, veterans, and counselors. She also has served in geriatric care for seven years. She currently serves at Pine Rest Christian Mental Health Services Holland Outpatient Clinic as therapist and clinic manager.

Ria's journey with movements and music started at age three when her mother started to take her to a dance studio so that Ria would not bother her father at

his home office. God has used music and body movements as an instrument for Ria to experience His presence and His healing power especially when things were very difficult in her life. Ria has learned to experience His peace in her body and to praise Him with her body authentically.

Ria has been a part of the Parkside family for the past twenty-three years. She is originally from Japan, was saved in Russia, and "grew up" at Parkside. Ria is married to Jeff, a good Dutch man from Holland MI, and has raised Scott who is a fourth year Cadet at West Point United States Military Academy. Ria gives thanks to God daily for her two cats, Hank and Nemo, who remind her to slow down and not to take things too seriously.

Put the January 29th Super Senior meeting on your calendar and plan to join us at 10:30 am in the Fellowship Area. Lunch will be provided at church following Ria's program - please sign up at the Welcome Center.

Super Senior Profile

Terry and Rosie Boeve

Terry was born and raised on the north side of Holland. His mom came to the U.S. from Amsterdam, Netherlands when she was 9 years old. His dad was a 3rd generation Dutchman. Terry

graduated from the first graduating class of West Ottawa High School in 1962 and started working at Holland Hitch right away. Rosie was born and raised on a three family farm located on Sternberg Road near Muskegon. Her mother's parents were from Ukraine and owned the three family farm - they gave my folks and uncle each two acres to build their homes. She attended the Fruitport Schools through the 9th grade then Muskegon Heights High School (Fruitport didn't have a high school) and graduated in June, 1962.

They met while roller skating, started dating in January, 1964 and were married on December 4th that same year. Before they were married, Rosie told Terry she would probably not be able to have children (due to Polycystic-Ovary Disease). He said that it was O.K. as he loved her for herself, not for "baby making." However, shortly after the wedding, Rosie found she was pregnant - Terry was shocked and Rosie thanked God. All went well and their daughter, Terrisah, was born in October 1965 delighting both of their parents.

Both loved the Lord and Terry made a confession of faith in his teens. Rosie's mom and grandma taught her about God and Jesus and when she was 13 attending Camp Barakel Rosie asked Jesus into her life. Several years later, in 1962, Rosie began working at Thrifty Acres (now Meijers). While at work one day, she was invited to visit Calvary Cathedral by pastor Tom Early. She reported the invitation to Terry and the family started attending - eventually, the whole family was baptized there.

Life changed for the better, we began to focus on God's will, stopped trying to keep up with others and worldly things. Rosie quit her job as she yearned to be home with her mom and daughter. In 1972 during a doctor visit Rosie discovered she was pregnant again - what a surprise! Although Rosie experienced problems during the pregnancy and the doctors asked them about terminating it, they prayed and left the choice up to God. Then, in July, 1974, to the great surprise of the doctors, Brenda Lee was born. She was fully-formed and beautiful, but remained in the hospital (due to low weight) for eleven days. Although Terry and Rosie decided that two children was the right number, God had a different idea,

So, before they could do anything about it, Jennifer Lynn was on the way - she arrived in March, 1976.

In 1966 Terry began working at General Motors in Wyoming and was there for 32 years before retiring. Upon leaving G.M. he immediately started working as a custodian with West Ottawa Schools.

In our life together, we have attended many other churches after Calvary Cathedral sadly came to an end. Then, two years ago, we walked in the doors of Parkside Bible Church and immediately felt welcomed and loved by an amazing family of God. We truly love it here and enjoy the many different programs they offer - especially, the Super Senior group.

December 4, 2019, was Terry and Rosie Boeve's 55th wedding anniversary. It has been a marriage guided and blessed by God.

100th Anniversary

Parkside Bible Church will celebrate its hundred year anniversary throughout 2020. One of the activities planned is a short historical piece published monthly on the church's website and social media. Each one will feature events or information from a decade of the church's history. The first installment will be posted in January featuring the 1920s, their first decade. Then, each of the following months will cover a succeeding decade. Be sure to check out the new posting each month.

Why would any educated scientist with a PhD advocate a literal interpretation of the six days of creation? Why, indeed, when only one in three Americans believes "the Bible is the actual word of God and is to be taken literally,

word for word” according to a recent Gallup poll.

Science can neither prove nor disprove evolution any more than it can creation. Certainly there are no human eyewitness accounts of either. However, certain factors are present today which are capable of swaying one's beliefs one way or the other.

In this book are the testimonies of fifty men and women holding doctorates in a wide range of scientific fields who have been convinced by the evidence to believe in a literal six-day creation. For example, meet:

The geneticist who concludes that there must have been 150 billion forerunners of “modern man” in order for the natural selection required by evolution to have taken place in the development of man. The evidence for such vast numbers of “prehistoric man” is in dire shortage.

The orthodontist who discovered that European museum fossils of ancient man have been tampered with to adhere to evolution theories.

The geologist who studied under the late Stephen Jay Gould and literally cut the Bible to pieces before totally rejecting evolution.

All fifty of these scientists, through faith and scientific fact, have come to the conclusion that God's Word is true and everything had its origin not so very long ago, in the beginning, *In Six Days* (from a review on Amazon)

Chili Cook Off

On Saturday, January 4, Parkside Bible Church will kick off their 100 Year Celebration with a Chili Cook Off. Drop off your chili entry at 3:30 PM with refreshments planned for 4:30 PM.

At 5:00 PM there will be a Balloon Drop and Chili Tasting. Put the date on your calendar and plan to join the Parkside Community for Food, Fun and Prizes.
