

Numbers in Our lives

Lesson Plan for small group from Cottonwood Farms

BEATLES GROUP

"Today we will be talking about numbers in our lives"" Hoy nos vamos a estar hablando de numeros"

- I will have the months of the year written on the whiteboard. Each learner will come to the board and write

their name and birthday day on the board. I need this for later

- Each learner will be given a calendar

- If you have another idea for an activity let me know. Not much out there

GUIDED PRACTICE

- On page 16 of the OPD compare the cardinal numbers with the ordinal numbers

- Use these examples by asking these questions

1. How many fingers on my hand ? 5

2. Which finger is my ring on ? 3rd

3. How many tables in the room? 8

4. Which table are we sitting at ? 1st

5. How many doors are in the room ? 7

6. Which door is open? 4th

7. How many numbers in the alphabet ? (Count from the pronunciation table) 26

8. Your first name starts with which letter? 12th

9. Which day is it today? (look on the calendar and count the days) 28th

10. What is your address or house number

- Start a conversation about how numbers are used at work or in our home.

" How do you use numbers in your job?" " ? Como se usan los numeros en su trabajo"

- Use page 6 in the Dictionary

- Page 44 and 45 of the Survival English

MUYIMPORTANTE

Carolyn and Mae Jean will be gone this week. Craig can sit with Patti. Craig will start working with Martin one on

one next week. I will work with Christina and Julio.

Peg will do the next four lessons starting with working with the calendar.

Any time frame that I need to know about with people being gone soon
