I further certify that my dog is current on all vaccinations including Rabies (puppies younger than 4 months of age excluded), with the last vaccination having been received no less than seven (7) days prior to enrollment. I agree to provide proof of vaccinations prior to the start of the training course. I agree to keep my dog’s vaccinations up-to-date during the training course. Initial: \_\_\_\_\_.
2. \_\_\_\_\_ My dog is current on flea and tick protection.
3. \_\_\_\_\_The trainers have the right to bring my dog to their veterinarian if they think it is necessary at my expense if an emergency or treated at my veterinarian of choice if time allows. MAXIMUM FOR VET CARE \$\_\_\_\_\_.

6. \_\_\_\_\_ When I come to pick up my dog, I will expect to spend the time the trainer feels is necessary for me to learn the techniques that the my dog and the trainer have used so that I will have the skills to follow through on the training.
