

OFFICIAL WARDROBE GUIDE

REGISTRATION Arrive in style! This is your first step into pageant weekend and we encourage you to make a statement. While you aren't being judged, you will feel more confident if you look and feel your best.

REHEARSAL Contestants age 10 and up will wear the official event tee, which can be purchased at www.amerifestpageants.com by clicking into the 2021 INFO page. Please wear with black pants or skirt. Please do not wear your state/qualifying crown or sash at this time- we want a consistent look among all delegates!

OPENING NUMBER Contestants age 10 and up will wear their choice of outfit in black, black/silver, black/gold or black/holographic. This should be a formal look- cocktail, hi-low, jumpsuit- for example. No long gowns, please. If you purchased a Johnathan Kayne at your state pageant this is the perfect opportunity to wear it again! You must have your own masquerade mask and it needs to be on a stick as part of opening number.

Contestants up to ages 4-9 will wear the official event tee, which can be purchased at www.amerifestpageants.com by clicking into the 2021 INFO page. Please wear with black pants or skirt.

Girls ages 0-3 and all Little Mister Contestants will not be part of opening number.

INTERVIEW Contestants ages 10 and up should select a dress or pant suit that reflects their style and personality. Smooth lines and bold colors will help you look professional and ready to capture the judges attention. Please no cocktail or formal wear.

EVENING GOWN We celebrate natural beauty and encourage you to choose a dress that makes you feel confident and beautiful! Judges will not score the gown itself, but will consider that the fit, fabric, color and style is a flattering choice for each contestant.

FASHION RUNWAY In this optional event, contestants showcase their sense of style with a fun, glamorous look. Anything goes- capes, trains, pantsuits, cocktails, jumpsuits- choose something that you feel great in while you rock the runway! Open to all ages! One person will be chosen from runway competition by Marc Defang to walk in New York fashion week in February 2022!

FESTIVAL WEAR In this optional event, contestants are asked to model an outfit on stages that represents their state in some way. We have seen everything from state flowers, birds and sports teams represented- and more! Use your imagination and make a connection with something you love about your home state!

MASQUERADE BALL This is a fun, semi-formal event. This event is not required. Tickets will be limited. Please wear a cocktail, jumpsuit or other semi-formal attire along with masquerade mask to go with the theme!
