

WANTED

GOOD MEDICINE FOR THE GOOD GROW

GOOD MEDICINE COMPOSTS

Made from the finest organic ingredients and designed to provide all of the nutrients your plants need for each stage of the good grow to produce bigger buds. Use as a soil amendment, topdressing, or as compost to brew awesome teas.

Ingredients: Yogurt, Coffee, Tea, Alfalfa, and natural Rock Phosphate.

PEACE PIPE POTTING MIXES

Specifically designed to support robust and consistent growth throughout the vegging, flowering and finishing stages.

Ingredients: Good Medicine Compost, Texas Green Sand, Coir, Peat Moss, Horticulture Perlite, Earth Worm Castings, Azomite, Fish Meal, Bone Meal, Gypsum, and much more.

TWISTED TOAD TEAS

Whether in the seed propagation, vegging, flowering, or finishing stage, Twisted Toad Teas add the precise level of individual plant nutrients with each watering.

Ingredients: Beneficial Fungi & Bacteria, and high concentrations of humic, fulvic, ulmic and alginic acids derived from Norwegian Sea Kelp.

MADE IN FORT WORTH, TEXAS
