## **Necroscope** (Necroscope #1)

by Brian Lumley

DEAD MEN TELL NO TALES...

Except to Harry Keogh, Necroscope. And what they tell him is horrifying.

In the Balkan mountains of Rumania, a terrible evil is growing. Long buried in hallowed ground, bound by earth and silver, the master vampire schemes and plots. Trapped in unlife, neither dead nor living, Thibor Ferenczy hungers

for freedom and revenge.

The vampire's human tool is Boris Dragosani, part of a super-secret Soviet spy agency. Dragosani is an avid pupil, eager to plumb the depthless evil of the vampire's mind. Ferenczy teaches Dragosani the awful skills of the necromancer, gives him the ability to rip secrets from the mind and bodies of the dead.

Dragosani works not for Ferenczy's freedom but world domination. He will rule the world with knowledge raped from the dead.

His only opponent: Harry Koegh, champion of the dead and the living.

To protect Harry, the dead will do anything--even rise from their graves!
