A MESSAGE FROM WALK #156 LAY DIRECTOR

*and their eyes were opened and they
recognized him. (Luke 24:30) CAEW #156*

When I arrived at Camp Alamisco for my original walk way back on Walk #46, I was filled with a lot of nervousness and some apprehension. Little did I know how much the Lord was working on my heart and with my relationship with him. He has accomplished things in me that I never thought were possible. I left the camp with a new found relationship with Jesus Christ and a new outlook on life. Through the ups and downs of life I have learned that to give Him all of me and trust that the Body of Christ will be there for you.

Our family has been blessed with many opportunities over the past few years to continue to give Him all of us. Through serving at Emmaus He has brought me into incredible fellowship with Him and given me a strong Body of Christ to lean on. We all know that every day with Christ gets better and better. I have to admit that my time in the conference room at Emmaus has produced some many Friends of Christ that have supported me and been an incredible blessing in my life. The thought of seeing it come to an end (in this capacity) is bittersweet. However, I am confident that our Lord is still "sandpapering" my rough edges off and is far from finished with me. I am excited about the future opportunities he will give me to serve Him, the Kingdom and the Walk to Emmaus!

I would like to thank all of the wonderful volunteers, background workers, and prayer warriors who toil tirelessly behind the scenes to make not just Walk #156 special, but every walk the "best Walk ever!"

Declares,

Jimmy Aulner

A MESSAGE FROM WALK #156 SPIRITUAL DIRECTOR

When I played football in high school we would always have to undergo Physical Exams in early August. They would run us through each different examination station in mass almost like cattle. Standing around in large groups would always lead to discussions about how we could cheat or figure out the different tests. We would discover the minimum number of sit ups and push ups we needed to do in order to pass. We knew exactly how to pass the eye exam. They would always ask us if call out the same letters from the exact same row on the eye chart every time. The first person who went would simply memorize that line and pass it along to everyone else waiting. We would always finish the eye exams very quickly in record time saying "D E F P O T E C", before the examiners were even ready.

It was someone else's focus and not our own. It is easy to lose our focus and just rely on those around us. In Luke 24:31 it states "Then their eyes were open and they recognized him, (Jesus)..." Cleopas and his companion had walked and talked with Jesus for a great while and then they were able to truly see him. They were focused on all the things that had happened there and not focused on the fact Jesus was in their presence.

It is a joy and privilege to be a part of an Emmaus Community where so many have discovered their own focus.

DeColores,

Charles Cummings
