

# Eucharistic Celebration followed by Healing Service

Each year, the OMPH CCR organises 2 to 3 healing service after Eucharistic celebrations to enable those seeking healing to have the sacrament of anointing. We start with a short praise and worship session. A crowd of about 200 people attends. After the anointing, our prayer team prays over those who wish to be prayed over. The evening ends with fellowship over a hot cup of coffee and finger food.
