

Otter's Soft Egg... Tom Regina

Hook Mustad C67S size 8 or 10
Egg Otter's Soft Egg (color of choice)
Thread 6/0 black
Glue Zap-A-Gap or other "super glue"

1. Impale the Otter's Soft Egg on the hook through the center of the egg circumference .
2. Slide the egg to the hook bend.

3. Place the hook in the vise.
4. Using a jam knot, build a thread bump about one hook eye length back from the hook eye. Whip finish and trim the thread.

5. Place a small drop of glue on the thread bump.

6. Slide the egg over the thread bump up to the hook eye while twisting the egg to evenly distribute the glue. DONE.

This Otter's Soft Egg is simple and quick to *tie*. Its soft texture is life like and fish seem less likely to reject it as compared to other imitation eggs. I have fished this egg, bounced along the stream bottom, catching many trout in western North Carolina.

**FOR SALE: Canoe, Old Town Katahdin 16'.
Fiberglass. Excellent condition. Cane seats.
Two paddles, anchor outrigger, cane seat
back, sidesaddle motor mount, storage cover.
\$725. Tom Regina 458-2978.**
