CCMC DISTRICT BOARD OF DIRECTORS

July 19, 2016

The Coleman County Medical Center District Board of Directors held in a Public Meeting on Tuesday, July 19, 2016, from 2:00 PM to 6:00 PM in the hospital cafeteria at 310 South Pecos, Coleman, Texas.

The CCMC District opened the Public Meeting to order at 2:00 PM. The general public and other interested parties came to the meeting to hear about the \$14.2 million project submitted to the USDA Department of Agriculture Community Facilities Direct Loan Program for the construction and equipping of a new patient care addition to Coleman County Medical Center.

The meeting was about the \$14.2 million project submitted to the USDA Department of Agriculture Community Facilities Direct Loan Program for the construction and equipping of a new patient care addition to Coleman County Medical Center.

The meeting began on 2 PM and was over by 6 PM. It was broke into three meetings. Mike Pruitt was the speaker and spoke about why CCMC needed the new patient care addition.

Many of the people who attended the meetings, sharing their comments regarding the loan application, were very interested.

Wayne Moore, Board President
