## Missy Wryn's Starting Under Saddle DVD Series Receives Honors from the EQUUS International Film Festival

Dear Missy, the judging is over and it was a very challenging decision --- the film entries, yours included, were very good, among the best that we've seen in films and presentations in a long time. Your Gentle Horse Training Starting Under Saddle is such a valuable series and I personally loved your presentation, we wanted to announce to you, an **Honorable Mention for Critical Information in a Training Series** and **Honorable Mention for Education**. We want to thank you for your series and for contributing so greatly to the present and future of horses everywhere and the people who love, use and work with them.

With kind regards, Janet, [EQUUS International Film Festival](#).
