Financial Update

Current status is \$1300 in the red, with expectations close to \$1200. Portion can be attributed to swapping the responsibilities of membership.

Membership

No dues renewed in March. No flocking to date. Need to have a few flocking's to build momentum. Flocking article will be in the voice along with why it is a good thing to be a member. Also hoping Spring Fling will bring new members.

Park Day

Lisa inspected the parks. Daffodils all bloomed this year. Want to plant bulbs every year. There is a lot of flower bed erosion due to heavy rain. Need to see if topsoil can be donated. Recent Next-Door post noted the park was trashy after Easter weekend with a recommendation to remove grills. Al suggested getting additional larger trash cans instead.

Spring Fling

April 29th from 2-4P. Sandy is the Chair and will generate a list of needs and volunteer needs. Current known needs: Tables at front for waivers and memberships. Someone to put out and take down signs. Al will reach out to Walmart to see if they can donate (16) potted hanging baskets. Petting Zoo will return requiring signed waivers and wrist bands. Max 20 kids in the petting pen. Jeff Dowdey to DJ. Gooch asked to have a children's activity table at the Spring Fling. Susan will follow-up to get more details. In advance of Spring Fling Al will check on Flag and see if Mash Marching Band would come out. Moving forward, Michael Birdsong has asked to keep the flag and raise prior to park events.

Community Sale

Date May 12th. Current 8 out of the 39 spaces are reserved. \$10 per space. 1/2 of profit will be donated to Gooch PTSA. All checks will be held until date of sale and all deposited at once.

Flag Day

June 20th 2-4p. Sandy to chair and provide update at next meeting.

Halloween

No Chair to organize. Falls into next fiscal year. Susan asked Anna to provide a recap which can be shared with the next Chair. Date was set for Saturday 10/20 from 2-4p

Voice

At printer and should be ready to begin deliver this upcoming weekend.

Welcome Packets

Need more welcome packets and a process moving forward. Beverly to work on a process.

Additional Updates

T-shirts – AI has a box of leftover T-shirts “Glen Meadow Estates supports Sam’s/Walmart”. AI to donate the T-shirts.

VIP – Need training and volunteers. Currently need 10 to train, but there has not been 10 so the training sessions keep getting cancelled. AI to reach out to Jennifer Gates to see if anything can be done. Also, to ask if our neighbors could train at another district.
