

Stonington  
Cemetery

We now allow an increased number of burials per plot. A single plot will accommodate one full burial, but we now permit four burials of cremated remains or one full burial and three burials of cremated remains. Please note that the maximum number of burials of cremated remains that are permitted in plots with existing burials may not be possible in all locations. These guidelines are in effect as of September 1, 2017.

**PLOTS**
