Work Party:

Saturday March 26th we will be having our 3rd work party at the rendezvous site at 9:00am.

Coffee and donuts will be there to get you started.

Tools needed are buckets and shovels to replant baby trees to a new home on the property to make more room in the primitive area. Also bring tree cutting tools in case we also need to cut down or cut up more trees.

More discussion at the club meeting on Saturday.

Hope to see a lot of people!

The Trade Blanket

Last Year I bought Paul's tipi, so now I have my older one for sale or trade. This is a 16ft that I set up using Nomadics instructions . Not sure who made this. Come with Poles, pins and canvas. The door is as I bought it—wild naugahide....No liner. I would like \$400. I would consider a .40 flint pistol, a buffalo hide or other cool stuff in trade. Nick

Notes from The Meeting

Dues were due by March 1st, 2022. \$15 Single, \$20 Family. You must be current to receive: "The Ol' Grizzley Gazette" and all the real benefits of a safe black powder only shooting area, and all the great buckskinner families that mingle here.

Start thinking about our Spring Shoot on May 5 to 8th. Dewayne (McCoon) and Kris Cloud have volunteered to Booshway our Spring event at the Clubhouse. Although it is a blanket shoot, we'll still need drawing donations. And we will again need volunteers to help set up, meet and welcome, and clean up.

February 13th was warmish with a light breeze. The potluck was delicious, predominantly gut-warming bean: soup, casseroles, baked delight. Along with meatballs, a salad, pie, and homemade rolls sides. Yummy.

During the Feb. shoot and following the meeting, all hands finalized the prep for Horse Ridge: stamping the shoot cards, packing the tables and benches, signs and boards, stakes and targets into the van for transport to Alfalfa by the Miltenberger's.

Horse Ridge

Here's a drumroll and thumbs up to YOU, the GMLR members and non-members who kicked butt helping set and remove trails, put up and take down tents, cut patches, sell tickets, register, keep scores, set signs, time fire starts, sort prizes and awards, keep the fires burning, stir the Chili, spread Sunshine and Sparkles, and so-o-o-o much, much more.

You know who you are. And You are all awesome. This was the smoothest year ever for setting up and tearing down, keeping the targets fresh and setting the awesome trails that I heard about all week.

Good Job !

Short Stroke & Pretty Flinchy

We had 192 registered shooters.

Special Thanks to:

Kris Cloud & Tracey Bryan who stepped up and took fabulous photos at Horse Ridge. The more than 400 photos taken will be posted, as we can rotate them through, on our Facebook page:

Remember that big Caldron that was
pressure washed, scrubbed, sanitized, and
seasoned for use at our 49th annual Horse
Ridge Rendezvous? And all those large
cans of Chili everyone brought to camp?

Friday afternoon Bruce McKee helped
the Chili Feed crew come together. The
volunteers emptied enough cans of more
brands of Chili than you can imagine into
the Caldron. It was over half full when it
was carefully placed in it's modified tripod
over it's custom-built fire adjacent to the
council fire. The Chili was stirred frequently
with a Wooden Paddle.

It was so popular that only two ladies of
Chili were left to scrape out of the caldron.
Everybody loved it, let's do it again in 2023.
