

“Touchdown Club” Alumni Membership 2016 BHS Football Season

The BHS Football Boosters invite all former students and their families to join the Touchdown Club as alumni. The booster fundraising efforts help fund team meals, player equipment, program technology, coach stipends, and team building activities - whatever is needed to help grow our program and build a competitive team. We are a non-profit organization. Whether you were a football player or a fan, we'd be proud to have your support and grateful for your donation!

Make a \$50 donation and receive (4) single game admissions.
