Mr. Timothy Canaday, President  
ADK Electric Corporation  
3773 S. Jason St. Unit 1  
Englewood, CO 80110

Re: CHASE Partnership Participation 2012 – Red Level Participation

Mr. Canaday,

Congratulations on a successful application to participate in the AGC/OSHA CHASE Partnership! ADK Electric has met the criteria for Red Level participation as outlined by AGC of Colorado, OSHA and CHASE Partners.

This achievement is a testament to safety related milestones highlighted in the CHASE Partnership program as well as the core safety values at ADK Electric. It also grants all rights and privileges for Red Level under the partnership agreement to ADK Electric until August 29, 2013. Site supervision is encouraged to notify OSHA of this participation the event of an OSHA inspection.

On behalf of AGC of Colorado, thank you and congratulations for being a valued Red Level Partner for the CHASE Partnership agreement.

Sincerely,

Bryan Cook  
Chapter Operations Director
