

PROSPECT SCHOOL HOME / SCHOOL AGREEMENT 2019-20

As well as delivering all National Curriculum subjects, Prospect School has successful Learning Support strategies that help students to develop communication, literacy, numeracy and social skills. Students are entered for Key Stage 3 National Curriculum tests, GCSE, AEB, NVQs, BTechs, Asdan and Entry Level examinations as appropriate. In Years 10 and 11 students also have the opportunity to take part in college courses and a work experience programme. When students leave Prospect School they should be equipped with accreditation success, good key skills and the personal qualities, social skills and positive attitudes necessary for a productive, caring and happy life.

Prospect School is an anti-bullying school and we view bullying as a serious issue. Action will be taken immediately following any reports of bullying and the person responsible for bullying will be subject to consequences under our Behaviour for Learning policy, including exclusion from school. Prospect School is also a non-smoking school. This applies to all staff, pupils and visitors.

The school will:

- provide a safe, well ordered and caring environment
- have clear behaviour targets for all students
- value each student as an individual
- contact you by telephone or letter regularly to share good news
- inform you at an early stage of any concerns we may have so that you can discuss them and become involved in any matter relating to your child
- send you reports on work and behaviour regularly, and invite you to discuss your child's progress at a parent's consultation event
- be available, by appointment, to discuss your child's progress or concerns
- provide opportunities for you to express your views on school issues
- have a clearly stated, published Behaviour Policy detailing expectations, rewards and sanctions
- make every effort to ensure that school policies are understood and followed by all staff, students and parents
- attempt to contact you by telephone if your son is ill, needs to be sent home or has run away from school

As Headteacher of Prospect School I undertake, on behalf of the school staff, to ensure that the school's commitments contained in the Home/School Agreement are followed.
