

Welcome November!

Fall is definitely in the air, this is such an exciting time for the children here at DCP. The seasons are changing and the teachers and committees are hard at work making the remainder of 2019 a success. We have already had some exciting field trips and special visitors to our school. Once again DCP thrives on our parent participation, if there are any questions or concerns please don't hesitate to reach out to one of our teachers or a board member listed below.
