Hannah Price - Upstate
Bill Wade - Columbia
Libys Wickline - Columbia

HEY YOU...*Yeah You!*

We are looking for technologists to volunteer to help on committees. By getting involved in the society, you are not only helping us stay strong but you are also building your resume’. We need help on the following committees:

- ✓ Educational
 - ✓ Legislative/SCQRSA
 - ✓ Budget/Membership
 - ✓ Nominating
 - ✓ Newsletter and Membership
 - ✓ Bi-Laws / Secretarial
 - ✓ Meeting Planner
- Contact Robyn Rhodes if interested.

Message from the President

Robyn Rhodes, BHS, CNMT (PET), ARRT(R)(N)(CT)

As a Nuclear Medicine Technologist for 34 years, I felt the need to give back to our society for all that it has given me. So, thank you for allowing me the opportunity to serve as your President. The relationships, education and opportunities have helped me grow as a person, as well as a professional. I can honestly say, I have never been prouder to be a Nuclear Medicine Technologist. Whether it is for our patients, our society, or our families, giving back is what we do. We give of ourselves every day and sometimes night!

We make a difference....

As we navigate a pandemic or the every-changing Nuclear Medicine profession, let us continue to support each other and our professional society. Collectively, we are stronger as a profession than any one individual is. I hope to see you in October...

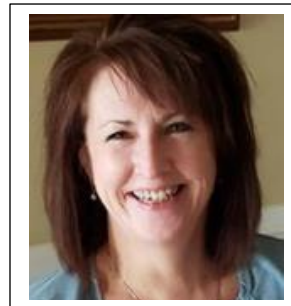

God Bless and Stay Safe ~ Robyn

TAG REPRESENTATIVE:

We are seeking someone interested in playing a VERY important role on our Board. This person would be our TAG (Technologist Advocacy Group) representative. TAG representatives share information on any changes in state laws concerning the practice of nuclear medicine studies, Joint Commission survey outcomes, CMS surveys, and all other news or policy changes that might affect NMTs. If interested, contact Robyn Rhodes: Robyn.rhodes@prismahealth.org

SCRQSA Statement

The South Carolina Radiation Quality Standards Association was created in 2000 by the Medical Health and Radiation Safety Act. The Association consists of 14 members, one of whom is our very own Jessica Riley, MA, RT (N) ARRT.

NEWS FROM THE MTC NMT Program...

Greetings from the students and faculty at Midlands Technical College! The **Class of 2020** has finished the program and due to the delay caused by COVID, they are a few who need to sit for their boards. **100% pass rate so far!**

I would like to congratulate Mikaela King for receiving the Dave Ransdell Memorial Award this year! Great Job Mikeala! **Mauren Kreiner, PD**
