2020 CENSUS

Stand Up & Be Counted!

Taking the Census is safe - strict federal law protects your census responses. No law enforcement agency (not the DHS, ICE, FBI, or CIA) can access or use your personal information at any time. Data collected can only be used for statistical purposes that help inform important decisions, including how much federal funding your community receives. You do not need a special code or postcard to complete the census. To complete the census online, visit <https://my2020census.gov/>. To complete the census over the phone, call 844-330-2020 for a Census Questionnaire Assistant. Stand Up & Be Counted!
