

The Gathering Church

Pastors Scott and JoAnna Trowbridge

Lead Pastor Scott is a well-organized and driven man of God who desires to see every person come to know, and seek a relationship with our loving God. His passion to share The Good News carries over to every sermon he presents.

Pastor Scott came to know the Lord at Bible Baptist Church in Hendersonville, TN in 1994. He surrendered to the call on his life to ministry in 2005 where he then began preaching in the interim for Harmony Baptist Association in Sedalia, Missouri.

In 2011 he returned to school to work towards completing his degree in Christian Counseling and Ministry.

After serving in several churches, Pastor Scott and his wife JoAnna planted The Gathering Church of Sedalia in October of 2013. He is excited to see where God will take the people of The Gathering and their families in the future.

Associate/Youth Pastor JoAnna, married Lead Pastor Scott in October of 2012. She has four biological children: Amanda, Tyler, Merissa and Shelly, but she has many that which she claims. She received the call on her life to serve in youth ministry in 2004. She spent a little over two years being molded by God into what she calls, "A Jesus Freak". Her passion to reach out to teens of all ages, for the Cause of Christ, drove her to successfully start and run, four youth groups in the Sedalia, Pettis County, area in Missouri over the last several years. She also, loves to sing with the praise band of The Gathering Church and lead others into an intimate time of worship.
