

Emergency Assist Team of Rockland

Membership Application

Peer Members

Welcome,

Our current team is seeking several new members.

Many things are taken into account when asking someone to join the Emergency Assist Team of Rockland. Attitude: high level of self-esteem, flexibility, responsibility, dependability, accountability, commitment, sense of humor, honesty, and confidentiality are foremost. Other considerations are team make-up and backgrounds. Team building takes time, therefore we attempt to maintain a small close team; matching personalities of new members to those already on the team.

Peer participation on the team is voluntary. Applicants will need to successfully complete the Group, Peer/Individual trainings, additional training are strongly recommended . Team members need to attend monthly general business meetings (attendance at a minimum of 1 meeting a year is mandatory to remain active on the team). **Confidentiality is a must.**

We are certain those who become part of the team will find the experience rewarding.

Name: _____

Address: _____

Phone Number: _____ Work: _____

Cell Number: _____ **(put an asterisk next to best contact #)**
