UPDATE FROM HOUSE AND SOCIAL CHAIR

Greetings KYC Members,

We've been working behind the scenes to offer a comfortable, fun, and safe experience at the KYC. We will operate very much the same as last summer and continue to follow all NYSDOH protocols. Please remember to wear your mask while inside the club house. Masks are not required outside. The bar area and tables will be set up the same, please remember to social distance while picking up your food and drinks.

We are pleased to introduce *Sophie Herrmann* as our Steward. Sophie is the daughter of long time KYC members Steve and Lisa Herrmann and has spent many summers at the KYC. Sophie will graduate this weekend from SUNY New Paltz with a degree in Elementary Education and a minor in Art History. She has some experience in the service industry, most recently working for Old World Cafe in Corning, NY. She will begin working next week with a "soft" opening on Friday May 21, 2021. Please be patient as she settles into her new role. Welcome, Sophie!!!

We anticipate a wonderful summer and hope you enjoy some of the 'upgrades' we've made to our outdoor spaces. Please reach out to me or any of our board members if you have any questions.
