

The Polo Chamber of Commerce Presents the

# Polo Christmas Festival

As winter and Christmas approach, so do the feelings of nostalgia, comfort, and hope. The Polo Christmas Festival Committee is looking forward to bringing back many of the activities that made for such an enjoyable first festival back in 2019, while we celebrate our community and the holiday season.

This year's festival will take place from 4:00 - 8:00 pm on Saturday, December 4th, with many of the fun events set to return, including children's crafts, the Festival of Trees, carriage rides, holiday stories, photos with Santa's elves, and a visit from the big man himself at the annual tree lighting uptown. Our hope for the Polo Christmas Festival is to have something for everyone, young and old.

As a Polo business owner, we invite you to be a part of this year's festival and to help make this another memorable and successful event for our community. If you are interested in participating and/or being a sponsor for the 2021 Polo Christmas Festival, please fill out the attached form and return by October 8th.

Please reach out to [polochristmasfestival@gmail.com](mailto:polochristmasfestival@gmail.com) if you have any questions!

Warm Regards,

The Polo Christmas Festival Committee

# Polo Christmas Festival
