

Wrigley's adoption fee is \$350.

Hi, my name is Wrigley. I'm a 7 year old Puggle (Pug/Beagle mix) being fostered in the Toronto area. I'm neutered, up to date on my vaccinations and I'm also micro chipped. I have slimmed down from 19.2kg to 19kg in the past couple of weeks and am hoping to lose a bit more weight.

I had to leave my old home because the new baby was allergic to me. They were sad to see me go because I'm super affectionate. I will surprise you by how much I am able to love my humans and also get along well with other dogs, although big ones sometimes get me all excited as I'm not too sure of them. I am also very loyal and a fantastic listener. My foster mom tells me I'm the best-behaved boy she has ever met and is impressed with how gentle, smart and easy going I am. Although I do shed, she says that I am just the perfect dog! She has even taken me to outdoor cafes where I like to just watch people go by. I am not much of a barker, only sometimes if I hear the door open and then I want to let my humans know someone is here.

I just had my check-up and have been given a clean bill of health. Oh, and I just got my teeth cleaned. I am very loveable and looking for my forever home. I have already been given up for adoption once before when I was very young so need to know you will be devoted to me forever just as I guarantee I will be devoted to you and my new family. Thank you for listening to my story.
