Your Charitable Contributions make a *Big Difference!*

Planned Giving: Ways to Give

Donations

Scenic Hills Senior Center manages and distributes all donations and ensures your donations are allocated to the area donors chose.

The Center runs a low-cost office operation to ensure that we consistently maximize the impact of your donation.

Donations can be made in any amount and specific to a particular program that has helped you or a loved one. If not specified, we will use the donation in the area of greatest need.

Gifts large and small are important. You may specify amounts to be used for a particular program or the area of greatest need.

Bequests

Leave a legacy by making a gift in your will that will benefit senior citizens in your community for years to come.

Making a bequest and other “planned gifts” is one of the simplest ways to *remember* an organization that has made a difference in your life.

What better way to thank the people or organizations that have had an impact on your life, than to make a contribution from your estate through a bequest?

If you plan to make a charitable gift by will, please discuss with attorney and update your will. Tell him or her exactly what you want to do.

A Memorial

In Memory of: A memorial gift is a gift made at the death of an individual and benefits a charitable organization selected by the deceased or the deceased family or friends. *“In Lieu of Flowers”* is a unique and meaningful alternative to flowers for bereavement and life's milestones.

You can make a donation in memory of a friend or loved one or you can request through an advance directive, that at the time of your death you ask that in lieu of flowers, a memorial contribution may be made to the Scenic Hills Senior Center.

Scenic Hills Senior Center will send a personalized note in your name to the honoree or family member, notifying them of your kind gesture. Additionally you will receive a letter documenting your tax-deductible contribution.

THANK YOU TO OUR SPONSORS!
