

BACK TO THE DAC 2017 at The Denver Athletic Club

Holiday the Clown, DAA's 2017 Mascot and DAA high school students returned to the Denver Athletic Club (DAC) on Friday, September 22nd. Our kids volunteered at the annual membership party and helped welcome guests to the newly remodeled Club. Each year the DAC hosts a celebration for its members as a way to show appreciation. This year, the theme was Colorful Colorado and the state was well-represented throughout the Club with fun facts and displays of important landmarks. DAC event coordinator Katie Walters created a fun-filled evening for guests attending the signature event this year. Many of the guests supported DAA with donations for popcorn and by bidding on unique or Colorado themed silent auction items.

Alumni DAA students made their way throughout the building encouraging guests to peruse silent auction items. In addition to items secured by DAA, WOW events and Latitude Sports brought in sports memorabilia and the Art of Life Gallery showcased several of its artist's productions.

All in all closing out the summer with a wonderful Colorado themed party was a blast. Our students look forward to opportunities to serve the community and we're grateful for the opportunity to give back to The DAC. It was a tough job, but somebody had to do it!
