

Good Evening/Morning. My name is [Your Name], an advocate for the Right to Life / ultrasound initiative, a parishioner here at (church name). I am the/a [member/enter title or position] at the Monroe Knights of Columbus council #1266. I am here today to kindly solicit your support for an important initiative that we believe aligns with the esteemed values and principles of the Knights of Columbus and the Catholic Church.

The Knights of Columbus council #1266, strongly believe in the sanctity of life through all stages and consider it our moral duty to educate and raise awareness regarding this issue. To this end, we have embarked on a project to increase our efforts through our Right to Life / Ultrasound Initiative. The core aim of this initiative is to impartially support local pregnancy centers and provide ultrasound imaging to those women in need.

This initiative is aimed to potentially provide the much-needed clarity and reassurance to make informed decisions. We believe that viewing an ultrasound image could potentially sway an uncertain expecting mother towards choosing life over abortion, quite possibly giving her unborn child a chance to experience the beautiful world we live in. However, our vision to take this initiative forward requires substantial financial support. Hence, we humbly appeal to the empathy of our community for their support. We believe that with your collaboration we could attain monies to help procure the necessary ultrasound equipment, train the volunteers, and ensure that their services are available for those in need free of cost.

Your support could mean a world of difference to the lives we could positively impact, indirectly protecting the sanctity of life. All contributions would not only be a noble act towards a humane cause, but also an investment in the protection and preservation of life, thus making our society a more empathetic place.

There are envelopes in the pew or back of the church for your convenience to return into the collection basket or mail directly to our council.

We genuinely appreciate your time and attention towards this significant initiative.

Thanks for Your Time, God Bless you all.
