

AVP – NEC-SHERWOO BOD Report (OCTOBER)

Presented by: Charisse Scott, AVP

Worked with Springbrook Cluster Coordinator in communicating with Westover Elementary School and their decision to become a PTO.

Discussed community initiated Boundary Study with parents from Stonegate Elementary School and helped them find a guest to discuss Special Education.

Connected with Springbrook and Paint Branch HS leadership with regards to engaging their students in advocacy as well as work within the organization where they can get real experience and earn hours for their participation.

Assisted Blake HS PTA President with her understanding and presentation of facts for the issue of All Honors Classes that was introduced last year, including obtaining information available about what the other schools in the Consortium are doing with regards to All Honors classes.

Participated on a CIP Committee Call to address the upcoming CIP, as well as the reduction of the GO Bonds, and the Bait & Switch implied with the recordation taxes increase implemented for schools.

Visited White Oak Middle School and spoke to Principal about community and immediate needs pertinent to the CIP and area meeting we are planning to host at her school.

Engaged with MCCPS leaders about a collaborative area meeting being planned to address the immediate needs of the NEC-S and finding out who at MCPS can attend and engage to ensure the community hears about the process first hand.

Attended MCPS Cheer Competition where Springbrook and Paint Branch participated.

Watched CIP Presentation Online – Inquired to BOE about who the Stakeholders are that were constantly referenced when no cluster/community representatives, were informed about the proposed recommendations prior to them being implemented on the CIP with regards to Leleck, Nix, and Cresthaven.

Discussed CIP results re: Burtonsville & Greencastle with Burtonsville Cluster Coordinator to assist with approach and strategy for testimony.

Subsequently hosted a Quad Cluster Meeting to Plan Strategic approach for CIP. Invited 3 Past AVP's and Cluster Coordinators from all 4 Clusters to participate.

Attend CIP Workshop
