## GreenStone Ministry - Arizona - Ethiopia

There is something about the month of April that stirs within me a longing for a future filled with hope and God's favor. April is often in the month of Easter but not this year. Christians in some parts of the world celebrated Easter in March and elsewhere it will be celebrated on May 1. So for a rare year, April is "sandwiched" between the 2 Easter celebrations! Perhaps this calendar year gives us permission or invites us to a month-long celebration of Easter! Hallelujah over and over!

"Your Word  
is a Lamp to  
my Feet  
and a Light  
to my Path."  
Ps 119:105

This morning I gave myself a special treat and I invite you to do the same. I took a peek at some of the old Immanuel AMEN you tube videos and immersed myself in the praise and worship of our multi-ethnic gatherings, with worship led by Pastor Sanghoon Yoo. Here is the link that will get you into the site <https://www.youtube.com/watch?v=T7iptL0BOxo>. As I reviewed the you tubes that our wonderful friend Tafesse Kidane provided for our blessing, I was overwhelmed with the knowledge of how many views some of his videos have received, some in the thousands. I added up the largest viewings making a total of almost 1/2 million views! Absolutely astounding! Praise God! Those of us who were privileged to know Tafesse well will never know to what extent his impact will have but we do share the blessing to have known him and have the opportunity to continue the mission in which he participated.
