

**Be Kind Belize
Marine Toad Worksheet
Answers**

(to be used in conjunction with the Be Kind Belize Marine Toad Fact Sheet)

1. What is another name for the Marine Toad?
Correct answers include: Cane Toad, Giant Neotropical Toad or Bufo Marinus
2. What is an amphibian? An animal that is born in the water but that lives on the land
3. Name two things the adult Marine Toad eats. Any two of these: plants, insects, small rodents, birds, reptiles, other amphibians, pet food, household garbage
4. How did the Marine Toad help cane farmers? By eating the Cane Beetle
5. Why should you wash your hands after you handle a Marine Toad? Because they produce a toxic substance to protect themselves from predators
6. Name two ways you can discourage Marine Toads from living in your garden? Get rid of standing water, turn off lights at night, keep your yard clean
