

Covid-19 Announcement May, 2021

To all past and future guests; we would like to thank you for your support, encouragement and love during this pandemic. In addition to our already high attention to cleanliness and hygiene, we will be sure to abide by state recommendations for cleanliness and social distancing orders. We encourage you to continue to support local small businesses. As changes continue to happen on protocols we'll be sure to inform our upcoming guests.

Since being able to open on June 5th, 2020 after the initial lockdown was lifted - The Red Sleigh Inn continues to follow state regulations issued by the State of New Hampshire. We continue to follow the Universal Guidelines issued by the state and CDC.

The following information includes our operating policies and standards for guests;

- We will not accept reservations from guests who have had recent contact with someone with COVID-19, or anyone who has shown COVID-19 symptoms (including fever, cough, shortness of breath or difficulty breathing, sore throat, new loss of taste or smell) in the two weeks prior to their arrival.
- Non-staying guests are prohibited from the property to reduce the number of people present.
- As per the CDC, masks are **not required** for those guests who have been vaccinated or who have had COVID-19 previously – it is at your own discretion if you choose to wear a mask or not and we ask to please be respectful of other guests at all times.

In addition to our existing high standards of cleanliness, our methods of cleaning and sanitation have been enhanced as per the recommendations put forth by the state and CDC. We also are following all appropriate guidelines put forth by the state of New Hampshire for employee and guest safety.

Please note, if you have any of the following symptoms or answer 'yes', please help protect us and other guests by staying home. Your deposit on your room will be refunded.

1. Have you been in close contact with a confirmed case of COVID-19?
2. Are you experiencing a cough, shortness of breath or sore throat?
3. Have you had a fever in the last 48 hours?
4. Have you had changes in your sense of taste or smell?

We sincerely thank you for your support, cooperation and continued business. We are sincerely grateful to be able to stay open and offer our bed & breakfast services to our valued guests.

Carly & CJ,
Red Sleigh Inn Owners
