## SELECTING A LOCATION

The cabinet must be mounted to wall studs or the floor. For optimal safety and security, the cabinet should be installed adjacent to the side wall of a closet with minimal space on either side of the cabinet, in an isolated, dry and secure area. The cabinet should be flat against the wall at the back of the unit, as well as flat on the floor. Remove the baseboard if necessary.

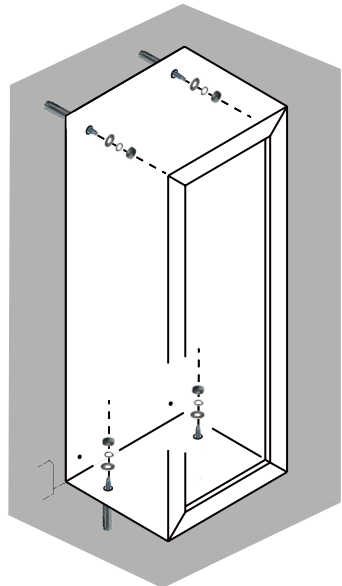

## WARNING

**THE CABINET SHOULD ALWAYS BE KEPT OUT OF THE REACH OF CHILDREN.**

## SECURING THE CABINET

1. Open gun cabinet and mark the predrilled holes with a pencil on the back or bottom.
2. Drill 10 mm holes with 10mm drill bit.
3. Put the expansion bolts in to the holes.
4. Move the gun cabinet in place, align it over the hole.
5. Secure the gun cabinet with the nut.

NOTE: This cabinet must be mounted to wall studs or the floor. Failure to do so will compromise the safety and security of the cabinet. Consult your hardware retailer for fastening hardware for your particular mounting surfaces.

# WARRANTY

## LOCK AND PAINTED SURFACE WARRANTY

Locks and painted surfaces are warranted to be free from defects in workmanship and materials for a period of one year from the date of purchase.

Heritage Security Products takes seriously its obligation to stand behind its product with this warranty as long as the gun cabinet is properly installed and cared for as instructed in the Owner's Instruction Manual. The warranty does not apply to cabinets or parts that have been misused, neglected or subjected to unusual or extreme conditions and/or environments, or to unreasonable wear and tear. Changing or modifying the cabinet in ways that affect its intended use will void this warranty. The cabinet must be registered within 60 days of the purchase and must be on file at the time of the incident. **Please go to [www.Fortresssafe.com](http://www.Fortresssafe.com) to register your product.**

**Limitation of Remedies:** In no case shall Heritage Security Products be liable for any special, incidental, or consequential damages based upon breach of warranty, breach of contract, negligence, strict tort, or any other legal theory. Such damages include, but are not limited to, loss of profits, loss of savings or revenue, loss of the contents of the cabinet or vault door, loss of use of the cabinet or vault door, or any associated equipment, cost of capital, cost of any substitute equipment, facilities or services, downtime, the claims of third parties including customers, and injury to property.

Heritage Security Products provides this warranty in place of all other warranties and assurances whether expressed or implied. Heritage Security Products accepts no liability for incidental or consequential damage or loss by anyone as a result of using this cabinet.

**This warranty is only applicable to the Gun Cabinet itself and does not extend to the contents of the Gun Cabinet.** For optimal security and protection, cabinets should be bolted down. Please refer to your Instruction Sheet for details on anchoring your cabinet.
