

APOSTACY OF THE PROTESTANTS

Believing Church Denominations, of the USA, If the nearly 145 Million Protestants in the USA got together in a Proportional Ratio of 1 to 100, meaning 145 Million would equal 100 Christians on a Statistical Scale, then the following Calculus would approximate the Conclusion that one is bringing to Light. Out of the 100 Protestant Christians in the Room, 50 of them, exactly Half would be Left of Center, meaning Pro-Abortion, Anti-Israel, Pro-LGBT, Same Sex Marriage, etc. Then out of the 2nd Half or 50 Protestant Christians in the USA, nearly 70% of this 2nd Half would constitute 35 Christian. These are what would be labeled as 'Evangelicals' who, for the most part are Pro-Life, Pro-Israel and Anti-LGBT, etc. This has changed now in the last 3 Years as more Mainline Evangelical Denominations are fast becoming 'Woke' and capitulating to the Jezebel Teachings of accepting the Gay Agenda. This would leave about 12 Christians in the Room from the 2nd Half that would be labeled 'Conservative'. Despite this number, recent Polls have determined that out of this so-called Conservative Persuasion, only about 3% are those that still hold to the Traditional Tenets of the Bible Teachings. Thus, out of a Protestant Denominational Gathering of 100 Christians in a Room, only 3 Christians still hold to the belief in the Creation Account, the Flood, Exodus, Jesus' Miracles and Resurrection, the Rapture and the 2nd Coming, etc. This is how far the Apostacy has become, Great.
