NOVA PUBLIC WORKS

PR Meeting

Sun March 3 2019

Greetings. We talked about printing out more meeting lists. We would like to have the area furnish us with 200 meeting lists a month. We are placing meeting lists in 11 different agencies with 2 more pending. A list of the placements is attached. We are also requesting a stamp and ink pad that has the Nature Coast Area and the helpline number on it. This is to stamp the IP's that we place in agencies. The cost should be around \$20. Cards with the Helpline number have been giving out to police officers and first responders. They are very receptive and appreciative of our efforts.

In loving service,

Kevin T.
