

Managing School Anxiety & Avoidance

Strategies
for Students with Disabilities

Mid-Hudson
Regional Affiliate
of the NYS
Special Education
Task Force

Tuesday, September 16, 2014
9:00am-1:00pm
Ulster BOCES Conference Center
Rte. 32 North New Paltz, NY 12561

- This FREE conference will host a panel of experts who will provide suggestions on how schools, parents and clinicians can work together to identify and reduce risk factors leading to school anxiety and avoidance. Effective strategies to reintegrate a student back into the school environment will be shared. Anyone interested in learning about this topic is welcome to attend.

Registration Required: Go to
