Please do not hesitate to ask any of our members for assistance.

Please join us for the first Sunday evening prayer time at 6:00 PM. Any changes will be announced.

On the 5th Sunday of each month, we get together for potluck fellowship meal.

Website: murphychurchofchrist.com

Lula has advised that this can be time consuming and does not justify the current high monthly expense. Eventually, GoDaddy will discontinue access to the website. We will review this again as we make plans for our 2026 budget.

The bulletin hardcopy cover is designed so you can mail a copy to a shut-in, friend, or family member. If you have any suggestions or see an error or want to make a change, please contact Lula Williams.

Just Christians

“To whom much is given, much will be required” (Luke 12:48). If you have heard that line of wisdom, please make note if you have been blessed with talents, wealth, knowledge, time, and the like, it is expected that we benefit others.

We have each other but more importantly we have God in us. It’s the Spirit that enables us to obey. It’s the Spirit that enables us to preach the gospel, heal the sick, and bind up the poor and broken. It’s the Spirit, alive in us, that gives us God’s heart of sacrificial love for the marginalized, the lost, and even our enemies.

PRAYER REQUESTS

- Jerry Queen requests that we keep his family in our prayers. Several of them are battling multiple health problems. He notes his wife continues to have her good and bad days. Michelle Dockery surgery is on hold pending stabilization of some other health care issues which would complicate her recovery.

- Darlene’s son Justin Sutton had a heart attack and has been in the Erlanger Western Carolina Hospital for two weeks as of this posting.

- Mindy Scaffa seems to be having at least one seizure each week and has difficulty walking. Prayers for her as she deals with the death of her beloved husband Woody.

- Stacy Packer is slowly recovering from lung surgery back in October and returning for worship service when she has a good day. She remains under doctor’s care as they monitor her progress. We pray she remains in remission.

- Roy Stephenson mitral valve leakage has decreased. The doctor plans to schedule him for an aorta ring placement if he remains stable. The procedure is experimental and the doctor is waiting on FDA approval. January 13th, he had to have surgery on his right foot again. Hopefully he can bounce back quickly.

You or family member or friend may not be on this list but, we are all in need of prayer. The pandemic, flu season and the uncertainty in the economy and government shut-down has taken and continues to take its toll on many. Depression, homicides,

suicides and gun violence are increasing as well as the impact of climate changes. **Services were cancelled last week because of inclement weather and hazardous road condition.** Take time to check on your neighbors!

Condolences

Sadly Wednesday, February 11th around 1:30 am Mindy called 911 and the ambulance took Woody away. Upon learning he was pronounced deceased she hasn’t been able to get any sleep. She is surrounded by several service dogs. This is all the information we have at this time. She still posts to her Facebook page.

Contact Nell Ard if you need a picture taken for our picture directory located in the foyer or need changes made to the directory printout provided to each member for your reference. Complete the form provided on the back table and give it to Nell upon completion. It is most important that you make sure your information is current.

Please note that because the bulletin may be shared with non-members therefore, we do not include details regarding home address and phone information for privacy reasons in the bulletin.

REACH of Cherokee and Graham County, Inc. is an outreach program for victims of domestic violence.

As the staff travel to the schools to discuss domestic violence, they have identified a need for children's shoes, underwear, and socks of varying sizes. They have also adopted some families to help as well. **Teens frequently request a fleece blanket.** If you have items of clothing (clean and in good condition), children's books, etc. to donate please place them in the blue bin located in the pantry or you can drop them off to be sorted for the thrift store. Check out the clearance section at Walmart next time you go shopping.

Clients in the safe house can always use travel size shampoo and conditioner, toothbrushes, tooth paste, travel size deodorant, hand sanitizer, etc.

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also ask for cooking utensils to help victims start over. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet. They also can use items to help with their self-esteem and pass the time until they can be placed in a safe environment. You can provide puzzles (500 pieces or less), adult coloring books, reading material, word puzzles, make -up, nail polish, hair clips, etc.

Volunteers and donors are always needed. Call the office at 828-

837-2097 or 828-837-8064 for more information. Local REACH covers Cherokee and Graham County.

REACH is leading our community in eliminating domestic violence and sexual assault through education, advocacy, self-empowerment, and community awareness. Suicides statistics among teens and young adults is increasing.

FOOD BANK DONATIONS

We need your help to keep our pantry stocked. If no family, or individual has made a special request; Lula pulls items off the shelves and takes them to the Cherokee-Graham County Food Bank, Inc. in Andrews, NC. The food bank is open to the public on Tuesdays and Saturdays from 10-12.

Other suggested items based on Lula's discussion with some of the female staff: feminine hygiene products and other personal hygiene items, e.g. toothpaste, toothbrushes, bars of soap, wipes, small bottles of shampoo, soups that can be heated over a small fire, small jars of peanut butter and items that do not require a stove for cooking. **Most of their clients are homeless and/or senior citizens living on a fixed income, so they can use small bottles of laundry detergent and Clorox to wash their clothes.** The food bank has a bakery that donates bread, and the local Walmart provides fresh produce.

You can also write a check payable to the Andrews Food Bank, P. O. Box 843, Andrews, NC 28901, and they will supplement items that are not being donated.

Our church's 2024 weekly budget is set at \$1,250.00.

February 8 - \$1,885.00 is over budget by \$635.00.

Wayne's Outreach Ministries

If there are folks who would like to participate in the prison ministry, please contact Nell Ard. Wayne was the only person that some of these men had reaching out to them. Upon his death, Wayne's requested that Nell continues to correspond with some of these men since they truly have no one else. Thanks to Dean and Karen Wray for working with her to keep Wayne's prison ministries going.

Wayne was also active with World Bible Study. If you need help with WBS (World Bible Study) or know someone who has indicated an interest in WBS, please contact Roy

Stephenson so we can make arrangements for the study dates.

A Night in Bethlehem 2026

"A Night in Bethlehem" location for 2025 was changed to the area below the casino. Some churches and organizations indicated they would not participate because of the location.

The organizers had to pay \$5,000 to setup the tents, so we are encouraging people to start donating now for 2026 to help defray the cost. The organizers will continue to see if they can find another location.

We had an attendance of 1,153 which is lower than last year but still significant. We had plenty of cookies left over.

When you are looking for books to donate for next year, keep in mind that we had more requests for children's biblical books and one in Spanish. If you have any suggestions for 2026 that can help the church stand out in the market place, please share them with Roy Goodlet.

Toys For Tots

Special thanks to everyone for making it possible to help 1,235 children have a bright Christmas. We keep the boxes in the classroom in the back for next year's start up dates. **In light of the changing economy, you are encouraged to start looking for special sales throughout the year. Please take advantage of the sales and remember do not wrap the gift.**

If you would like to volunteer to help with planning for next year, please contact the coordinator Jeana Conley at jeanaconley33@gmail.com or call her at 828-361-2161 or the assistant coordinator Sue Evans at 828-837-3035. **There is also a Facebook page and website <http://murphy-nc.toysfortots.org> with more information if you want to donate funds with a credit card.**

Theresa Brehm contacted us to let us know her husband Chuck passed away peacefully at 9:45 pm Thursday, February 5th. Her daughter drove her to Cochran Funeral Home for funeral arrangements.

Charles Allen Brehm

May 4, 1940 — February 5, 2026

Charles "Chuck" Allen Brehm passed away at his home in Blairsville, Georgia on February 5th, 2026. He was born on May 4th, 1940 to Arthur and Dorothy Goffin Brehm.

Charles is survived by his wife, Theresa Brawley; siblings, Mike and Kay; and stepchildren, Pam (Michael) Murray and Wesley Brawley and Rovandia Bordon.

Physical and Spiritual Healing

Is there a link between physical healing and spiritual healing? Let me share a few things with you. Charles Colson with Nancy Pearcey in the book, "A Dangerous Grace," have said, "On the day of Pentecost, those touched by the Holy Spirit were accused of being drunk, or maybe crazy. Today, believers are still considered to be weak, foolish, or emotionally unstable. But more and more studies are showing that religious believers are more emotionally and mentally stable than the average population. Religious faith is linked to lower blood pressure and lower rates of drug use, alcoholism, suicide, and mental disorders."

These next illustrations may not mention that the people involved are Christians, but the link between good living and personal health is definitely related. A Florida State University study found older adults who volunteer up to 100 hours a year live happier and

healthier lives. According to a Columbia University study, teens who are under high stress, are often bored, or have \$25 or more a week in spending money, are twice as likely to smoke, get drunk, and use illegal drugs. Teens who attend religious services at least once a week are at significantly lower risk of substance abuse.

Jesus knows the cause of every ailment and He also knows the cure. It is said that in the entrance hall of Johns Hopkins Hospital in Baltimore is a remarkable statue of Jesus. He is portrayed as The Great Physician. Jesus is the Great Physician, and His power is almighty. I know there are people who need the Great Physician in their lives. Someone has a need in their life. Someone has a problem they can't solve. Someone has a situation they are struggling with. Someone has a sickness they are battling. Someone is dealing with a broken heart and a broken life.

Jesus' healing is done within the will of God, and occasionally the Lord will choose not to physically heal someone so that a greater work of God can be done in him or her. God can use sickness as a way to bring us to a deeper level of spiritual intimacy with our Heavenly Father.

During that time of illness, when things seem so dark and drear, we must grow in discerning His presence. We need to be able to respond to His presence. And most importantly, we need to be able to submit to His presence. And our hope needs to be that someday God will heal us completely for all eternity.
