

JOIN US AT 'TWEEN WATERS  
CRUISE DATES: FRIDAY, NOV. 7- SUNDAY, NOV. 9, 2014

CRUISE LEADERS: SEIBOLD and GRABAU – THE AMERICAN/GERMAN FUN TEAM!

Marlies, Andreas, Paul and Vicki welcome our cruisers to a fun-filled weekend of eating, drinking (Did I mean that? Of, course, I did!), relaxing and socializing. Here's the plan. We're having a mustache party. I don't think anyone has had that yet so it should be FUN.

Friday, Nov. 7 – Arrive at your leisure any time around 12:00 noon

Welcome Signature drinks and a goodie bag upon your arrival – hope you all like chocolate and lemon. YUMMY.

5:00: Come to the designated spot. Don't know where it is yet, but it won't be hard to find. Bring your own drinks and enjoy some appetizers. **We're asking 2 boats to provide appetizers as part of our "bring-a-dish-to-pass" dinner. (Please see attached assignment sheet)**

This is also the time we'll have our mustache contest. Everyone, please don your most famous and handsome mustache. Add a different nose to your face, a pair of goofy glasses, a "cheesy" neck tie and whatever else strikes your fancy, and we're good to go for our contest!. Don't be bashful, now. I hear mustaches are all the rage, and they can add quite a bit of character and beauty to the person who wears one or more. Be creative. Of course, we'll have an impartial pair of judges who will decide which man and woman has the BEST of the BEST. There's a nice little prize involved here, so don't miss out on the fun.

6:00: Time to eat. Your cruise leaders are providing beef stew with carrots and potatoes as well as a pot of homemade chili for your dining pleasure. There will be 28 people for dinner so please make a large enough portion for your contribution. **We'd like 1 boat to bring a tossed green salad and dressing, 1 boat to bring some yummy crunch bread/rolls and butter, 2 boats/coming by car members to provide a cooked veggie (not carrots or potatoes, please), and 2 boats to provide desserts.** Please bring your own place setting and silver ware. Bowls for the stew and chili are provided.

After we've stuffed ourselves, we can settle back with an after-dinner drink; please bring your own, of course, and just relax. I would LOVE to play some games, but I don't know how many people would enjoy doing that. We'll have some on hand just in case. If you have a favorite game you'd like to play, please bring it along.

Saturday, Nov. 8 – RISE AND SHINE; IT'S MORNING TIME; LET THE DAY BEGIN!

9:00: Come join us for Bloody Marys, Mimosas. Bring your own cup of java and your own place setting, napkins and silverware. **We're asking 1boat to bring a gallon of OJ and 1 boat to bring a bottle of spicy Bloody Mary Mix and a bottle of not spicy bloody Mary Mix. We'll provide the alcohol, celery, olives, etc.**

Breakfast follows, is hot, yummy and plentiful. Bring your appetite. Cruise leaders are making French toast or pumpkin pancakes, an egg dish, sausage or bacon. **We're asking 2 boats to bring fresh fruit to round out our meal.**

**The day is yours to enjoy. It's my understanding that there are kayaks available.**

5:15: Come to our gathering place for snacks & BYO Cocktails. **We're asking 1 boat & 1 travel by car member to bring some munchies for all to enjoy prior to our going for dinner.**

6:15 our group will head over to the Crow's Nest Beach Bar & Grille for a casual dinner at 6:30. It is customary that all attending boaters and guests will be at the dinner. If you do not plan to attend, please call Vicki @ 716-955-0468 or Marlies @ 239-257-1245. Thanks so much. The restaurants appreciate our assistance on this.

The evening is yours to enjoy on your own.

Sunday, Nov. 9 – Thanks for everything. Please leave at your convenience and have a safe trip home. Bon Voyage!! See you soon. Marlies, Andreas, Paul and Vicki
