

**Annual
Festival of
Lights and
Santa
Parade**

From all of us at Smith Lawnscapes, wishing you a very Happy Holiday season and a joyful New Year!

We would like to thank everyone for their patience, support, your business, and the opportunity to serve you. We greatly value your trust and confidence and sincerely appreciate your loyalty to our business.

The End of a Season

To recap, this year has been a difficult season due to the many different weather extremes. With near record breaking amounts of rain this spring to an early snowfall in November, our crews persevered through many late nights and several weekends to complete projects and routine services.

With all routine services done and only a couple install projects to complete we have now transitioned the majority of our fleet to provide snow removal services this winter.

Winter Services

- Commercial & Residential Snow/Ice Management
- Winter Pruning – Cheaper without the leaves, easier to evaluate tree structure, avoids spreading disease, and less stressful while dormant.
- Christmas Lights- Let us help you with the installation or removal of your outdoor Christmas décor.

Who is Santa's favorite singer?

Elf-is Presley

Snow & Ice Management

At Smith Lawnsapes we know how important snow removal is in Michigan. Whether you are a business owner, apartment manager or a homeowner, making sure your location is hazard free of snow & ice is critical to keeping your property safe. To better provide Snow & Ice management to our clients we primarily keep our service routes to Clinton County.

Our team is ready to serve your winter maintenance needs from residential to large commercial properties.

We can provide the highest quality and most dependable service to all of our clients for snow & ice management.

We also have bagged safety salt available for purchase.

For more information, please contact our office at (989)224-9211 or request a quote online at SmithLawnsapes.com.

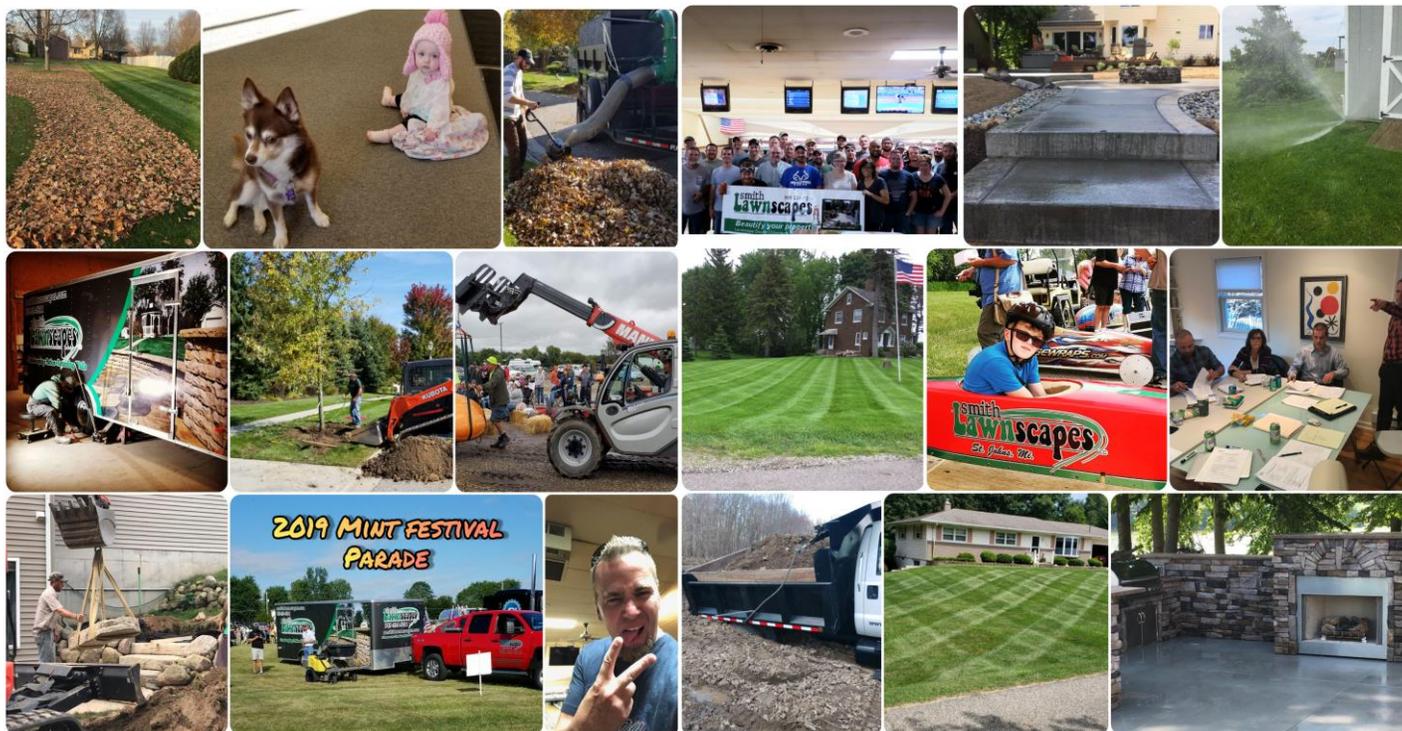

A representative will then make arrangements to visit your location and provide you with an affordable solution and free estimate.
