

## Top Light and Side Light Order Form

Please use this form to calculate our top light and side light costs. Please note that all styles are as viewed from the outside. The costs shown is for the top light or side lights only and does not include the cost of a composite door. All prices include VAT, A rated toughened double glazed units and a frame coupler to join the pieces together. We can also offer C and B rated double glazed units for top lights and side lights and A rated triple glazed units for side lights only. Although all fanlight/sidelight combination styles below show a full frame width fanlight, we also offer fanlights at door width with sidelights at full door height. If you require help, please do not hesitate to contact us and we will be happy to talk you through the process.
