

IF YOU DIED TODAY ARE YOU 100% SURE OF HEAVEN?

Money seems to solve 90% of our problems. Money buys food, clothing, shelter and other basic needs, and it also buys insurance, leisure and luxuries for our advanced needs. In general, we feel

successful when we have more than enough money. Some people go beyond money to get fame and power, but when does all the getting end? What is sufficient for man? Are we ever completely satisfied? *Hell and destruction are never full; so the eyes of man are never satisfied.* (Proverbs 27:20). Does the thought of dying ever go beyond the purchase of a funeral plot? Is there something more to our existence than money and power both on the individual and national scale?

Jesus said, *For what shall it profit a man, if he shall gain the whole world, and lose his own soul?* (Mark 8:6). The thought of having a soul that lives forever in heaven or hell dismisses the concept of money. The Bible says that we are all sinners: *For all have sinned and come short of the glory of God* (Romans 3:23). The reason we die is because of our sin. Adam and Eve were supposed to live forever but because they sinned they eventually died. So too do all of us: *for the wages of sin is death* (Romans 6:23a). Not only do we die physically, but our soul will go to hell because we must be sinless to enter into heaven. *For whosoever was not found written in the book of life was cast into the lake of fire* (Revelation 20:15). Jesus' death on the cross was a payment for our sin so we could be forgiven and enter into heaven. All it takes is a simple prayer, believing it in your heart, like the one on the back of this pamphlet. *For whosoever shall call upon the name of the Lord shall be saved* (Romans 10:13). You can not take your possessions with you when you die.
