

GRAND COUNTY WATER CONSERVANCY DISTRICT
GRAND COUNTY SPECIAL SERVICE WATER DISTRICT

REGULAR MEETING ----- APRIL 17, 1985⁴

The meeting was called to order at 7:00 A.M. by the Chairman, Samuel J. Taylor, at the Ramada Inn. Other Grand County Water Conservancy District Board members present were Gary N. Wilson, William T. Hines, D. L. Taylor, Everett L. Schumaker and Robert R. Norman.

ATTENDANCE

Special Service Water District Board members present were Samuel J. Taylor, Everett L. Schumaker, Dan Holyoak, George White and William D. McDougald.

Others present were Karl Tangren, David J. Bretzke, Executive Director, Dale Pierson, District Maintenance Man and Roberta R. Highland Secretary.

Samuel Taylor reported he and David Bretzke had inspected the reservoir and the Diversion structure, and everything looked good. The patching is complete, and the water should rise above the patch within a few days. He also reported that the work on the irrigation pipeline was progressing nicely and there was more soil out there than anticipated, so not so much sand would have to be brought in to bed the line.

RESERVOIR
REPAIRS

David Bretzke reported he had talked to the new owner at the Walnut Lane Well, and they wanted to consult their attorney before making any decision about pulling the pipe in that well. Bretzke also reported he had talked to Dutch Zimmerman about the 1/2 day allowance for pulling that casing, and Zimmerman had told him that would not be worthwhile.

WALNUT LANE WELL

Samuel Taylor read the letter he had written to Karl Tangren regarding potential San Juan County customers. The contents were generally discussed, and Mr. Tangren thanked the Board for their consideration. Mr. Tangren was handed the letter and thanked for attending the meeting.

TANGREN LETTER

Gary Wilson mentioned that he and Dale had attended a seminar with Dr. Griffin about a water scheduling device. The use of this device was discussed, and it was pointed out that it could save up to 20% in water use. The use was explained, and D. L. Taylor suggested we contact someone from the University to explain the program to the entire Board.

WATER SCHEDULING
DEVICE

Samuel Taylor asked for a discussion on the verbal resignation of Curtis Young. William D. McDougald suggested someone from the valley be appointed to the Board, and various candidates were discussed. William D. McDougald moved the Board submit the names of Karl Tangren, Russell O. Donoghue and John "Dutch" Zimmerman to the County Commission for consideration. D. L. Taylor seconded. MOTION CARRIED.

CURT YOUNG
RESIGNATION

D. L. Taylor reported that the Well Water Committee had met, and were considering the lease of the Corbin Well from the City of Moab, which in turn would be the main source of water to the proposed golf course development. Sam asked the Committee to discuss it further, and make a firm recommendation. Wells in the valley were discussed, together with the location of any well that could be put into the system.

WELL WATER
COMMITTEE

April 17, 1985 - Page 2

Samuel Taylor reported that last year the District had had to hire another person to help Dale keep the diversion structure cleaned out. Methods of keeping the cost of keeping the diversion clean as cheaply as possible was discussed. This discussion included hiring someone closer to the structure with a motorcycle and having Bob Byrnes help out as he is already on the payroll as Water Commissioner.

TEMPORARY HELP
FOR TUNNEL

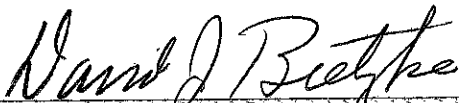

Dale reported the City is now taking water from the Betty Schu- maker Well No. 3.

CITY WATER

The meeting adjourned at 7:45 A.M.

ADJOURNMENT
